Sounds good to me. I'll try to view a copy of your proposed order in the next few days and likely just stipulate.

Cheers! I stated in the motion that the parties have been engaged in the 1997 case, so we have not been doing discovery in the 2007 case. Since discovery cutoff is in October and trial in February, we should continue the trial to July or August 2009 and move discovery cutoff according to local rules, which would be in the spring.
